

MINISTERS'

INSTITUTE

CONFERENCE

Hosted by the New Golden Heights Church of Christ in the interest of bringing together men of God of like precious faith.

Men who believe the Bible is the inspired Word of God, our authority, and our

only authority in religion. Men who believe God is both just and sovereign, with a burden to continue to proclaim and live the powerful standard portrayed in God's book, the Bible.

It is our firmly held belief here at the Heights, there has never been a time more pregnant with a need when God needed men to stand in the gap and make a wall on behalf of the lost (Ezek. 22:30)

We firmly believe the force of Matthew 16:18 is as poignant now as it was when spoken by the Lord. From it, among other things, three things emerge: 1) revelation, 2) identification and 3) authorization. From this premise, and the total universe of the New Covenant, we humbly launch the 2010 MIC lectures. We solicit your attendance.

JANUARY 16th – 21st, 2010!

Dear Brethren:

The 33rd annual Ministers' Conference has come and gone.

Plans are now underway for our 34th conference as we speak. You are an integral part of our 2010 plans. Your suggestions for an even better 2010 conference have already been inculcated into the programmatic structure for the next conference.

In the coming months, we will continue to keep you updated on the 2010 plans. The MIC web-site is up and running and available for registration. We ask that you visit the site often to stay updated. It is critical that all attendees pre-register for the 2010 conference.

If you were not able to attend the 2009 conference, we very much hope you will be able to join us in 2010.

Kind regards,

**W. F. Washington, Ph.D.
Founder and Host Minister**

The 2010 34th Annual Lauderdale Lectures and Ministers' Conference will offer several different tracks of workshops. The tracks have been structured programmatically so all attendees will have the privilege to attend all of them at least once during the conference. It would greatly facilitate the prosecution of the availability of the tracks if each attendee would pre-register online. The conference will begin with the annual MIC Concert/Recital on Saturday, January 16, 2010. It will end with the gala MIC Banquet extravaganza, Wednesday night, January 20th. Free day, January 21st, for golf, fishing, beach walking and other MIC activities will convene on Thursday for all those who will stay over!

CONFERENCE MISSION, VISION and VALUE

Lauderdale Lectures and Ministers' Conference is designed to bring together men and women of God of like precious faith for a serious look at our message and mission. To articulate what we believe and why we believe it. To seek to unify our speech:

In matters of doctrine.....UNITY
In matters of opinion.....LIBERTY
In All Matters.....LOVE

To provide a loving, personal and frontal interaction between the pioneers of our brotherhood and our younger preachers. To set forth a program agenda that speaks to the sustaining of fundamental New Testament Christianity as preached by Christ and the Apostles. To perpetuate the fundamental pulpit while at the same time not antagonistic to the next progressive idea that allows us to better meet the needs of the community and church that we serve with the New Testament message. To encourage our women of God in their pursuit of the fulfillment of the mission of Jesus Christ. To honor each year a Living Legend of our brotherhood and other older and successful preachers.
